

Female Genital Mutilation (FGM) Child Abuse Linked to Faith Based Abuse Children's Social Care Pathway

Professional submits
MARF into MASH

Allocated Social Worker
submits request for
consultation to the
MASH

Protocol (Integrated Children's System (ICS) checked to see if case is known and open. If case is open, Social Worker is notified and offered consultation and joint work with FGM specialist social worker who would attend any professional or strategy meetings.

For closed cases or where families are not known to social care, referral placed through the MASH by FGM Social Worker

MASH Manager determines final threshold – Level 1-4 of the [Redbridge Threshold Guidance](#).
