

SAFEGUARDING AGAINST ONLINE HARMS

Conference

London Borough of
Redbridge

The **Community Safety and Education** services at **Redbridge** are hosting a **Safeguarding Against Online Harms Conference** on **Tuesday 20th October 2026** at **City Gates, 10am–3pm**.

This conference will support safeguarding partners to better understand the ever-evolving landscape of online harms.

It will provide opportunities for networking and peer-to-peer learning, as well as practical insights and solutions from frontline practitioners working in this area. This conference will be free to attend, and refreshments will be provided.

**Tuesday 20th
October 2026**

**10:00am –
3:00pm**

**City Gates,
25-29 Clements Road,
Ilford, IG1 1BH**

Please use QR code to register your attendance at this conference, please note that spaces are capped at 100 people. If you register your attendance, please endeavour to attend this event or contact Sarah.Knarr@Redbridge.gov.uk to cancel your place so that this can be offered to someone else.

THIS CONFERENCE WILL:

Explore the
ever-evolving
landscape of
online harms.

Share practical
insights and
frontline
experiences.

Provide opportunities
for networking and
peer-to-peer
learning.

Work together on
solutions that
make a difference.
