

Awareness of Child Sexual and Criminal Exploitation (CSE & CCE)

Background

This is a briefing on child exploitation aimed at those working with children, young people and families who have no prior knowledge and only require introductory level information.

Learning Outcomes

Topics covered in the briefing:

- What is child exploitation?
- What are the signs/symptoms that a child or young person may be being exploited or at risk of being?
- What makes some children and young people more vulnerable than others to exploitation?
- What action should be taken if concerns are raised that child or young person is at risk?
- What lessons can we learn from cases of child exploitation nationally?
