

# Awareness of Child Sexual and Criminal Exploitation (CSE & CCE)

## Background

This is a briefing on child exploitation aimed at those working with children, young people and families who have no prior knowledge and only require introductory level information.

## Learning Outcomes

Topics covered in the briefing:

- What is child exploitation?
- What are the signs/symptoms that a child or young person may be being exploited or at risk of being?
- What makes some children and young people more vulnerable than others to exploitation?
- What action should be taken if concerns are raised that child or young person is at risk?
- What lessons can we learn from cases of child exploitation nationally?
