

Working Together to Safeguard Children – a Shared Responsibility (Level 2)

Background

This course is designed for professionals who have completed Level 1 training within their employing agency and need to further extend their child protection knowledge base in the context of multi-agency working. The course is of particular relevance to practitioners who work with, or come into contact with, children and families and/or vulnerable adults who are parents or carers of children and who might be involved in referral or contribute to safeguarding assessments.

Learning Outcomes

By the end of the training, participants will have:

- Developed knowledge and understanding about forms of maltreatment and indicators of significant harm
- Developed confidence in identifying and responding to children at risk
- An understanding of how to apply the principles that underpin effective child protection practice
