

Disrupting Child Exploitation

Background

This course is designed to enhance multi-agency working by gaining an understanding of how you can work more effectively with the police and local authorities to help pursue offenders and protect children who are being sexually or criminally exploited.

Learning Outcomes

- Understanding how disruption techniques can be used to safeguard children at risk of criminal and sexual exploitation
- To explore how the multi-agency workforce can support intelligence gathering
- Understand the processes involved when investigating offenders of child exploitation
- Recognise the support needs of witnesses and victims when entering the judicial process

You can **book your place** using our [online booking form](#). Details of course fees and our cancellation policy can be viewed [here](#).
