

# Intrafamilial Child Sexual Abuse – An Introduction

## Background

This training will support you to improve your understanding of child sexual abuse within the family environment and help you to better identify signs and indicators

## Learning Objectives

A better understanding of:

- the scale and nature of child sexual abuse
- how the impact of child sexual abuse presents in children, young people and adults
- how children communicate their experiences of sexual abuse, and the professional role in helping them do this
- how and why sexual abuse happens in families
- the importance of a ‘whole family’ approach to assessing and intervening with families
- Improved ability to identify the potential signs and indicators of sexual abuse and sexually abusive behaviour
- Greater confidence in identifying and responding to concerns of intra-familial child sexual abuse
