

# Harmful Practices and Safeguarding Children

## Background

This course is designed to equip participants with an understanding of harmful practices, to critically analyse safeguarding concerns and how to respond to children who are at risk.

## Learning Objectives

Participants will:

- Gain an understanding around what harmful practices are along with the international and national debates.
- Have an overview of the range of harmful practices including those known to be taking place locally and nationally.
- Gain an awareness of the signs and symptoms associated with different harmful practices.
- Explore key messages from policy, research and serious case reviews.
- Explore risk factors, how to assess risk and how to respond appropriately to concerns.
- Be made aware of the roles and responsibilities of agencies.
- Consider where to access resources and services.

You can **book your place** using our [online booking form](#). Details of course fees and our cancellation policy can be viewed [here](#).
